INTERSECT

(in'ter-sēkt') –To cut across; to overlap each other

That's the goal of the word of God: to cut across and overlap into our everyday lives. Use these questions to help you dig deeper and personally apply what you're learning. We also use these questions as a framework for discussion in our small groups.

REWIND

❶ Think back to Steve's Dirty Smelly Feet message and his challenge to serve others in practical, everyday kinds of ways. Share with the group the acts of service you have done and how they were received.

❷ Take some time to read and study back through John 13:18–30. After reading the passage, what stood out or caused you to ponder?

Now think back to this weekend's message. What are you walking away with? What questions are you still wrestling with?

This weekend, we saw the reality of betrayal. How have you been betrayed, or how have you betrayed others in the past? What have you done to overcome and/or move on from that?

DISCUSS

❸ What do the following passages have to say about passivity? What are these passages urging us to do?

- 1 Corinthians 9:24–27

- 2 Timothy 2:1–7

What do these passages have to say about faking our relationship with Christ? What are some markers of a real relationship with Christ?

- Luke 6:46–49

- 2 Timothy 3:1–5

- 1 John 1:8–10

DECIDE & DO

❹ Jesus came to rescue us and to establish a real relationship with us. In what ways could you heed one or more of the warning signs this week?

How can you use these warning signs to encourage someone else to live a life of faith and faithfulness?
