INTERSECT

(in'ter-sĕkt') –To cut across; to overlap each other

That's the goal of the word of God: to cut across and overlap into our everyday lives. Use these questions to help you dig deeper and personally apply what you're learning.

REWIND

❶ Think back to Tim's message. Do you think that you were able to portray a clearer picture of who Jesus was through your words and actions this past week? Why or Why not?

DISCUSS

❷ What's one thing from this weekend's message that really stuck with you so far this week? Do you have any questions regarding what you heard?

❸ In this passage we saw how Jesus asked questions before he made statements. What questions has Jesus left you wrestling with or pondering lately?

Jesus desires for us to follow him for HIM not for his stuff. In what ways do you feel you have pursued after the gifts instead of the giver lately?

What are the benefits/blessings that you have seen and experienced from following Jesus lately?

❹ What do the following passages teach us about discipleship and growing closer to Jesus?

Matthew 16:24–26

Ephesians 5:1–2

Titus 2:1–8
