God's power is _____

_____ what he says and then _____ what he does!!

INTERSECT

(in'ter-sěkt') –To cut across; to overlap each other

That's the goal of the word of God: to cut across and overlap into our everyday lives. Use these questions to help you dig deeper and personally apply what you're learning. We also use these questions as a framework for discussion in our small groups.

REWIND

❶ Looking back at your notes from this week's teaching, was there anything new you learned or anything that caught your attention, challenged, or confused you?

DISCUSS

❷ “Dry Bones” are those situations where it feels like there's no hope at all. What are (or have been) some “dry bones” situations in your life, or in the lives of people you know?

When God steps in to bring new life, his timing and methods are often very/radically different than ours. How have you seen that to be true?

❸ Write down what the following verses teach us about trusting God's timing and methods, even when He doesn't make sense.

Isaiah 55:8–9

Habakkuk 2:3

Habakkuk 3:17–18

DECIDE & DO

❹ We saw this weekend that **God's power is activated by our obedience**. What are some situations in your life where God's power may be held back because you're simply not following through on something he's clearly told you to do—or stop doing?

What simple steps could you take to just do what he says and then watch what he does?
