(ĭn'ter-sĕkt') –To cut across; to overlap each other

That's the goal of the word of God: to cut across and overlap into our everyday lives. These questions will help us dig a little deeper and make sure that what we are learning is intersecting with our every day lives.

RESET

- ❶ What do you remember most from this past weekend – any questions or disagreement on anything you heard?

OUR JOURNEY

- ❷ People often freak out or make final decisions with only one side of the story. When have you observed (or even done it yourself!)?

DIGGING IN

- ❸ What do these verses teach us about how we are to respond to mockers?

Proverbs 9:7-9

Proverbs 19:25

Proverbs 26:3

MAKING IT REAL

- ❹ We talked about several leadership principles that apply across a wide range of leadership roles we are involved in.
 - Don't Freak Out or Make Final Decisions with Fractional Facts
 - It's Often Wise to Compromise
 - Get a "since you asked" response ready
 - Know who to keep and who to crush

What are some real life situations you can apply these principles to? Maybe you are already – be prepared to talk about these with your group. Real life right-now kind of examples are so helpful!
