SPEAK

15 minutes a day for 15 days to talk with God, asking Him to speak to us and then to actually, expectantly listen.

The Holy Spirit will often bring scripture, songs, pictures, and impressions to your mind. Use the SPEAK Journal we've provided for you to record what God brings to mind. **WRITE STUFF DOWN!** Expect God to speak!

Use the following prompts to guide you as you ask God to speak:

1 Read 1 Samuel 3:1–10. Take some time to ask Jesus to **"Speak** Lord, I'm listening!" Ask for Him to clear away the distractions so that you can hear Him clearly.

Today, ask God to **speak** about what He's most excited about in your life personally and in the life of our church as a whole. **2**

3 Wake up 15 minutes early and go for a walk (out in nature, not on streets if possible) asking God just to **speak** to you about anything.

Ask God to **speak** and give our leaders guidance on key decisions we're making for doctrinal and theological clarity. **4**

5 Listen to a favorite worship song. How does God **speak** to you in this song?

Read 1 Samuel 23:1–5. It describes how God **speaks** to David to give him specific real life guidance on a military decision. How does God want to **speak** to you about something very practical in your life? **6**
